

# There is nothing like a Graco® sprayer.

Quality. Performance. Durability. Productivity. Graco TexSpray™ family of products deliver on all counts and provide substantial benefits to the professional texture contractor. Each TexSpray model boasts plenty of user-friendly features and broad performance capabilities. Graco has a TexSpray model for spraying nearly every application! When you choose Graco, you know that you are choosing the highest quality product in the industry. You can take pride in the fact that Graco products are designed, manufactured, and assembled right here in the USA with global components and imported Honda® engines. *We do!*

MADE IN THE USA WITH GLOBAL COMPONENTS

MADE IN THE USA WITH IMPORTED HONDA® ENGINES

# G4 DIFFERENCE

**What is the G4 Difference?** Simply put, it's Graco's commitment to provide you with the very best texture sprayers, backed by a solid reputation for proven quality, maximum performance, reliable warranty coverage and unmatched on-the-job productivity. Graco sprayers are designed to exceed the professional contractor's standards for quality and performance. Graco is the name to turn to today and as your business grows.

## PROVEN QUALITY

*100% factory-tested and field-proven design, coupled with cutting-edge technology, keep Graco sprayers performing reliably on the job for years.*

## MAXIMUM PERFORMANCE

*Higher output with superior control ensures the highest quality finish for every job.*

## INDUSTRY-LEADING WARRANTY

*Every Graco texture sprayer is backed by our full warranty coverage and more than 80 years of proven commitment to the professional contractor.*

## UNMATCHED PRODUCTIVITY

*Exclusive Endurance™ pumps deliver long life and reliable performance, while the Endurance Advantage Program eliminates downtime by providing you a spare pump for quick job site change-out.*

# ProContractor Series

WORK SMARTER, FINISH MORE JOBS

When it comes to getting the most work done in a day, it's all about speed and high performance. And that's where Graco delivers. With features that enable you to work more efficiently, the ProContractor series of texture sprayers help you get in, out, and on to the next job site faster, saving you time and money.

ProContractor Series sprayers have all the Features of the Standard Series, **Plus:**

**SmartControl 3.0 with LED Display** Graco's advanced SmartControl 3.0 delivers a consistent spray fan without pressure fluctuations at all spraying pressures.

- ▶ Bright, easy-to-read LED display shows pressure read-out, job/lifetime/gallon counter and self-diagnostics
- ▶ ProGuard Sprayer Protection System guards against bad or extreme jobsite power conditions

**WatchDog™** The WatchDog Pump Protection System automatically shuts down the pump when material runs out or if the hose is damaged.

- ▶ Prevents dry pumping damage

**FastFlush™** This high flow cleaning system runs faster and dramatically decreases cleaning time.

- ▶ Motor runs at super high speed
- ▶ Results in high flow and faster cleaning—up to **4X faster** using only half the water!

FastFlush

**QuikReel™** With the integrated QuikReel you can deploy and rewind the hose in seconds, letting you put the sprayer where you want it and the gun where you need it.

- ▶ Hose guide eliminates twisting, kinking, and coiling for one-person operation
- ▶ Hose is always connected and weight balanced to not tip over
- ▶ Use only the hose you need—the rest stays on the reel
- ▶ Hand crank folds away for storage and one man loading

**Ready To Spray** Everything you need—texture gun, SwitchTip™s and 100 feet of Blue Max II hose is already assembled and ready to use right out of the box, getting you working that much faster.

**ProConnect™ 2** This next-generation pinless design of Graco's ProConnect Pump Removal and Installation System makes it easier and faster than ever to replace the pump in seconds.

- ▶ Eliminates costly jobsite downtime
- ▶ Quickly and easily swap out the pump for a spare
- ▶ Pinless design needs no tools

**bangkok spray**  
Airless spray equipment

**On-Board Toolbox** Convenient storage container keeps tools, tips, filters and accessories where you need them most.

# TexSpray Mark

# V

The Graco TexSpray Mark V is built to deliver a higher flow rate that lets you get the job done faster. It features 20 percent more productivity than the Mark IV and comes with an upgraded Heavy-Duty Texture Gun. It can accommodate a larger tip size, and has the power to spray skim coat in a Level 5 finish, drywall mud in an orange peel, splatter or knockdown finish or even the wide range of primers and paint.

#### INCLUDES

- Heavy-Duty Texture Gun
- LTX425 SwitchTip and Guard
- 3/8 in x 50 ft (9.5 mm x 15 m) BlueMax II Airless Hose
- 1/4 in x 3 ft (6.4 mm x 0.9 m) Whip Hose

## Standard Series

EVERYDAY RELIABILITY

### Standard Series features found Only On A Graco:

**Advantage Drive System** Runs quiet and has a lifetime guarantee.

**SmartControl 3.0 Pressure Control** Delivers consistent spray fan without pressure fluctuations at all spraying pressures.

**Endurance Pump with Max Flo+** Submerged foot valve easily handles the thickest materials.

**Ceramic and Stainless Steel Ball Sets** Provides maximum versatility no matter what you're spraying.

**MaxPower Brushless DC Motor** Never change brushes with this maintenance-free, totally enclosed, high torque motor.

**Rugged Cart Design** Chrome over steel makes this durable cart last for years.

**Easy Out Pump Filter** Less mess when changing or cleaning the filter.

**Heavy-Duty Prime Valve** Maintenance-free design withstands high pressure dumping.

Choose a Series  
that's built  
FOR YOU!

## ProContractor Series

WORK SMARTER, FINISH MORE JOBS

### All the features of the Standard Series, PLUS:

**QuikReel** Deploy and rewind up to 300 feet of hose in seconds without twists, kinks or coils.

**Ready To Spray** A total of 100 feet of hose and gun already installed.

**ProConnect 2** Change out the pump using no tools in seconds resulting in quickly getting back to work.

**LED Display** Bright easy-to-read LED display shows pressure readout, job/lifetime/gallon counter and self diagnostics.

**FastFlush Cleaning System** Cleans the unit up to 4X faster using only half the water!

**WatchDog** Save the pump from damage when material runs out or a hose breaks.

**On-Board Toolbox** End frustration and save time by never again searching for tips, filters, and tools.

## IronMan Series

BEYOND JOBSITE TOUGH

Mark V 120/240 VOLT

### All the features of the Standard Series, PLUS:

**MaxLife Extreme Duty Pump** Keeps you working longer between repacks.

**ProConnect 2** Change out the pump using no tools in seconds resulting in quickly getting back to work.

**Roll Cage Frame** Innovative steel design withstands rugged environments and protects critical sprayer components.

**LED Display** Bright easy-to-read LED display shows pressure readout, job/lifetime/gallon counter and self diagnostics.

**Flat-Proof Tires** Roll through even the worst jobsite debris without ever going flat.

**FastFlush Cleaning System** Cleans the unit up to 4X faster using only half the water!

**WatchDog** Save the pump from damage when material runs out or if a hose breaks.

**Additional 50 ft of Hose** Gives you the versatility to work farther away from the sprayer.
