QuikAccess™ intake valve quickly removes for easy cleaning or accessing the inlet ball.

Variable Pressure Adjustment
Position indicator allows repeatable setting while spraying light-to-heavier materials.

bangkok spray
Airless spray equipment

If you need a solid workhorse of a sprayer that is built for the professional who is just “starting out,” then the 390 PC is for you. This is Graco’s lightest professional sprayer, ideal for residential jobs.

Easy Out Pump Filter creates less mess during changing or cleaning. Its flow-through design cleans with less fluid.

Advantage Drive runs quiet and has a lifetime guarantee.

Chromed Steel Frame has stable 4-leg design with cord wrap.

*Stand model shown.
Hi-Boy model also available.*

Swivel Inlet Suction Hose easily reaches paint buckets.

Lightweight Design
weighs only 30 lbs (13.6 kg) with offset handle positioned to kick sprayer away from leg for comfortable carrying.
